"Zim" tried to cut around the car, but his motorcycle slipped and fell in front of the car. It was thrown off the track by the safety tender.  
**The Story of the Hat.**  
A belated New Year's story is floating around the offices. A crowd of young men started the new year by smashing each other's stiff hats. Thinking to save his hat, one young man hid it behind the bar of one of the hotels. Seeing him hide the hat, a friend put it on and paraded past the hat's owner. Thinking it was the other fellow's kelly, the owner smashed his own hat on the other's head.
